Lion's Light Bulb Campaign

Lions Club President Jerry Leblanc and Secretary-Treasurer George Willis sell the first package of light bulbs to

Mayor William Veness. The house to house campaign will be June 10 - 12th inclusive. All revenue will be used for

the well-known Lions Academic Scholarships which are presented annually to St. Albert students.

Council Meeting May 11

Promotion: Mayor Veness extended congratulations to Cpl. Lyndon on his re-

cent promotion to Sgt. He said he hoped this wouldn't mean that Sgt. Lyndon would be transferred away from St. Albert.

Jay-Dee Scraping (formerly Ku's Machine Shop): The petition from Balmoral Drive residents regarding the noise, noxious odour and dumping on the property of Jay-Dee Scraping, brought a motion from Councillor Skrobot that the Senior Administrative Officer take the

necessary action to eliminate these problems.

Miniature Golf Course and Drive In Restaurant: Council refused permission for Mr. Boe of Edmonton to operate a miniature golf course and drive in restaurant on the north east corner of Highway #2 and Sturgeon Road, as this type of operation is not suitable to this location.

so close to the highway.

Minor Hockey Assn: Mr. Jim Byrne presented and explained the expenditures made on behalf of the Minor Hockey Association during the last season. The finance committee recommended the payment of this account. Councillor Skrobot moved that the Minor Hockey Assn. statement in the amount of \$303.28 be paid and included in the 1964 budget.

Dust Problem: Residents in the area of St. Vital Ave. and Mill Dr. had presented a petition requesting some definite action by the town to end this dust problem caused by black dirt hauling. The residents complained that this had been going on for 3 years without a remedy being found. Councillor Wheatling moved that the petitioners be advised that this matter has been taken up with the land strippers and that they are doing as much as they can, as rapidly as possible to settle this dust problem, and that the town is keeping a day to day watch on the problem. This motion was defeated. Mr. Gee reported that the hauling firm had cut a new roadway from the loading area to St. Vital Ave. and had agreed to water it down to avoid creating dust.

Delegations to Council: Members of council expressed concern at the amount of time allowed to delegations coming to council, resulting in long drawn out discussions and delaying the order of business. Councillor Stewart moved that in future all delegations be advised before attending Council meetings that they will only be allowed 15 minutes for consideration of their subject. This motion was carried.

Council Meeting May 19

Service Station #2 Highway & Edmonton St., North east corner: Despite the recommendation of the Technical Advisory Committee to approve the establishment of a service station for Pacific Petroleum Ltd., this was defeated by Council. **Fences:** Council approved the recommendations of the Technical Advisory Committee regarding height and location of fences in the following resolutions:

Interim Development Resolution No. 12

The Municipal Council of the Town of St. Albert duly assembled resolves as follows:

All fences erected in any Residential district shall conform to the following provisions:

1. No fence shall be constructed that is

a) higher than 6 feet for that portion of the fence that does not extend beyond the foremost portion of the principal building on the site; and

- b) 3 feet for that portion of the fence that does extend beyond the foremost portion of the principal building on the site.
- c) In the case of corner sites, the foremost portion of the principal building referred to in (a) and (b) of this subsection shall apply to both faces of the building fronting onto the streets.
- d) Where lots have both their front and rear yards facing onto a street, special approval of the Development Officer must be obtained prior to the erection of any fences on the rear portion of such properties. Size and specifications for fences in these areas must conform with the over all standard set for the area by the Town.
- e) In the case of multiple family dwellings, no fences shall be permitted to be constructed beyond the foremost portion of the building with the greatest front yard setback on the site.

(This document is for delegation purposes only, and is not binding to the Council. It may be withdrawn or replaced at any time under the procedure prescribed by Section 11 of the Interim Development By-law.)

Carried.

It was noted that Councillors Stewart, Skrobot and Wheatling voted against this resolution.

Old Curling Rink Site: The Caveat on the old curling rink site which will probably be a future parking lot, will be lifted as expressed in a motion by Councillor DeBruijn and approved. Councillor Skrobot abstained from voting, having an interest in this property. Mayor Veness requested that it be recorded in the minutes that he was opposed to the resolution.

Invoices, OK Construction: With regard to the old OK Constr. invoices which were presented to Council and recommended for payment by the town's consulting engineers some time ago, Council decided to pay only a part. The remaining amounts will be a matter for another meeting. Mr. Gee requested that Councillor DeBruijn attend this meeting. The reason for the other invoices not being passed was the uncertainty of responsibility.

Community Hall Due to the fact that the St. Albert Community League has changed their original proposal to give the hall and land to the town, Councillor Wheatling moved that if the town is unable to further negotiations for the purpose of moving and renovating the Community Hall as originally proposed, then the Town will proceed with the development of a Recreation Centre on land presently owned by the Town, using the Recreation Grant for this purpose. This motion was

carried.

Recreation Board: Council received a letter from Mrs. Andrew Kennedy stating that she has resigned as a member of the Recreation Board. Mr. Cliff Gallant was appointed in her place. Mr. Rene Kamboureff has accepted his appointment to this Board.

Baseball Diamonds: Council decided that the diamonds will be put into shape at a cost of \$200., which will be deducted from the Recreation Board budget.

It is to be hoped that the Orioles will have their concert in March or April in future, rather than in the busy month of May. This was earlier erroneously announced as being held on June 8th because of a confusion of dates and correspondence. Mr. Cantelon is well known in the Edmonton area as a counsellor and expert in Christian Family Life, as an education and administrator, and a pastor and preacher.

Through his radio work his influence has reached into many homes. He comes to St. Albert as one of his last speaking engagements in the Edmonton area before his move to Lethbridge, to speak to us on the general theme of "Christian Family Life". This speaking engagement is sponsored by the U.C.W. and Triple M. Coffee will be served in the Lower Hall

of the Church. Everyone is welcome to attend.

cerning the matter of welcoming new families to the community through the churches. Visitors from the co-operating churches are to share in this program. Your session has appointed Mrs. Garth Peterson as your visitor, with Mr. G. McBroom as alternate.

At the service on Sunday, May 31st, the congregation was privileged to have as guest Minister, Rev. Rodger Talbot, on furlough from the Korean Presbyterian Church, Japan. Also in attendance were the Interim Moderator, Rev. Bigelow, who conducted the service, and members of the Interim Session.

An Ordination Service conducted by Rev. Bigelow, assisted by Rev. Talbot and the Interim Session, inducted Messrs. J.G. McBroom, A. Vanderstraten and J. Hostler as the St. Albert Session.

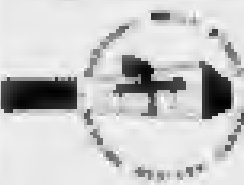

Rev. Talbot in his sermon gave interesting information about the work of the Korean Presbyterian Church in Japan. His message particularly stressed the qualities of a good elder as one who is mature spiritually and will lead the congregation with strong leadership. He further charged the congregation to be faithful to her elders, here this morn-

ing being ordained to serve this congregation.

The Party Line

Seems those lazy days of summer have finally come to St. Albert! Isn't it lovely to stick the dishes in the sink and sprawl out in a lawn chair to just soak up the sun? The last few days have been spent rummaging out the family's summer clothes, while insisting that I haven't gained an ounce, I do have a breathing problem in last year's shorts, and my how those zippers stick!

One new item in summer casual fashion that eliminates this figure change problem is the "wraparound" skirt, usually made up in an Arnel-cotton blend. They wash nicely and lay out flat for especially easy ironing - a boon to busy mothers! Brings to mind, how did we ever manage without the "wonder fibres" that make life so much easier to-day.

SUMMER SHOPPING LIST

I need a new shift or possibly two.
And three pair of shorts, last year's will not do.

Italian sandals, I just must have a pair
And a raffia straw bag, or two if I dare
Making this list is an annual event.
Pouring o'er the catalogue; my coffee break's spent.

I choose and select and compare all the prices

Till at last I am sure I have picked out the nicest.

But I'm wasting my time and my dreams are in vain.

For I know just like last year, it'll happen the same.

I'll get grass seed and peat moss, a new rake or hoe.

Glad bulbs or bedding plants - and so my wardrobe's go!

HIGH SCHOOL SPRING PROM

Saturday, June 6th is the date of the Paul Kane High School Spring Prom. Social convenor Georgina Cooke and her committee are elbow deep in spring blossoms and leaves, readying the gymnasium for Saturday's big "splash". Speaking of splash, a featured part of the decor will be a cascading waterfall and paper

mache bird bath - both the handiwork of the students. Flower wrapped trellises and spring leaf aprays will help to carry out the 'Wisteria Garden' theme. The students have put a great deal of planning to work into this annual event and it's bound to be a great success. Makes us wish we were sweet sixteen again!

The "Satelites" will supply the music. Refreshments, including cakes, cookies and fruit punch will be the girl student contribution.

Guest chaperones will include: Mr. & Mrs. E. Cooke, Mr. & Mrs. Baldwin, Mr. & Mrs. S. Carter, Mr. & Mrs. Parkes, Mr. & Mrs. Burton.

From Our Readers

Dear Sir,

The Board feels it is essential to bring the following facts to the attention of the taxpayers.

In September 1962 the teachers turned down the recommendations of the Alberta School Trustees' Association and their own Alberta Teachers' Association negotiators the Board accepted. In November 1962 the teachers turned down the government conciliator's recommendations the Board accepted. Early in 1963 a conciliation board was established. The teachers' nominee to the Board was Past President of the Alberta Teachers' Association and instructor of salary negotiators. Under the terms of the Alberta Labour Act this man is required to take an oath that he will be impartial. Your Board with the moral and financial support of all boards in the province fought this point of principle in the Supreme Court. The fact that we lost because of changes in other parts of the labour act does not negate this point of principle. We would repeat, however, that this was fought at the cost of all boards and not St. Albert taxpayers alone.

In March 1964, the teachers asked to bring negotiations back to the local level. The Board agreed but the Alberta Teachers' Association's negotiator refused to meet the Board's negotiator.

On April 16th, 1964, the Board's education committee met the teachers and their Alberta Teachers' Association agent and signed a memorandum to recommend settlement of certain items in dispute. On the same date the Board approved the salaries in the memorandum. On April 22nd, 1964 the teachers asked for other items not settled. April 23, 1964 the Board appointed a negotiating committee to continue negotiations and endeavour to settle the remaining items in dispute. The teachers met this committee on April 29th, 1964 and after a brief discussion left to seek further instructions for negotiations from the teachers.

Early in May the Deputy Minister of Labour wrote to the Secretary-Treasurer saying that in view of the information supplied by the Alberta Teachers' Association "there would appear to be an agreement". The Secretary-Treasurer reported this to the negotiating committee of the Board and received instructions for a reply. This is the letter the Secretary has been accused of concealing. At no time has the Secretary withheld information from the Board or its committees, nor has he acted outside the instructions or without the authority of the Board and its committees.

On May 20th, 1964 the teachers met the Board's committee and turned down an agreement based on the memorandum. The teachers demanded more but refused to negotiate their demands.

On May 29th, 1964 the Board's committee offered the Edmonton agreement by sending registered letters to all teachers with a copy to all taxpayers. The teachers did not accept. It is presumed they want more.

The granting of teachers' demands are estimated as having the following effect on taxes:

1963 educational tax	29 mills
1964 educational tax	31 mills
1965 educational tax	37.38 mills

On a typical residential assessment of 6,000 this would mean:

1963 educational tax	\$174.00
1964 educational tax	\$186.00
1965 educational tax	\$222.00

An increase in two years of \$48.00

These figures are based on maintaining the present scale of educational operation and class size. We have already given you the alternatives: - reduce High School programme, increase class size, employ less experienced teachers.

The Board is anxious to have all its ratepayers fully informed. Should you have any questions you are requested and urged to direct them to the Board.

Yours truly,

Roy Usher,

Chairman, Board of Trustees

St. Albert Protestant Separate S.D. No. 6

Dear Sir,

Please accept my personal thanks and the thanks of other members of the St. Albert Protestant Separate School District Board of Trustees for the fair and im-

partial manner in which you have presented details of the dispute presently involving the Board and its teaching staff.

In a letter published last week and

mailed to teachers and ratepayers, mention was made of "sensation seeking reporters". It was never our intention to imply that the Gazette had stooped to such tactics. We sincerely hope that no one so interpreted our comment.

Yours truly,

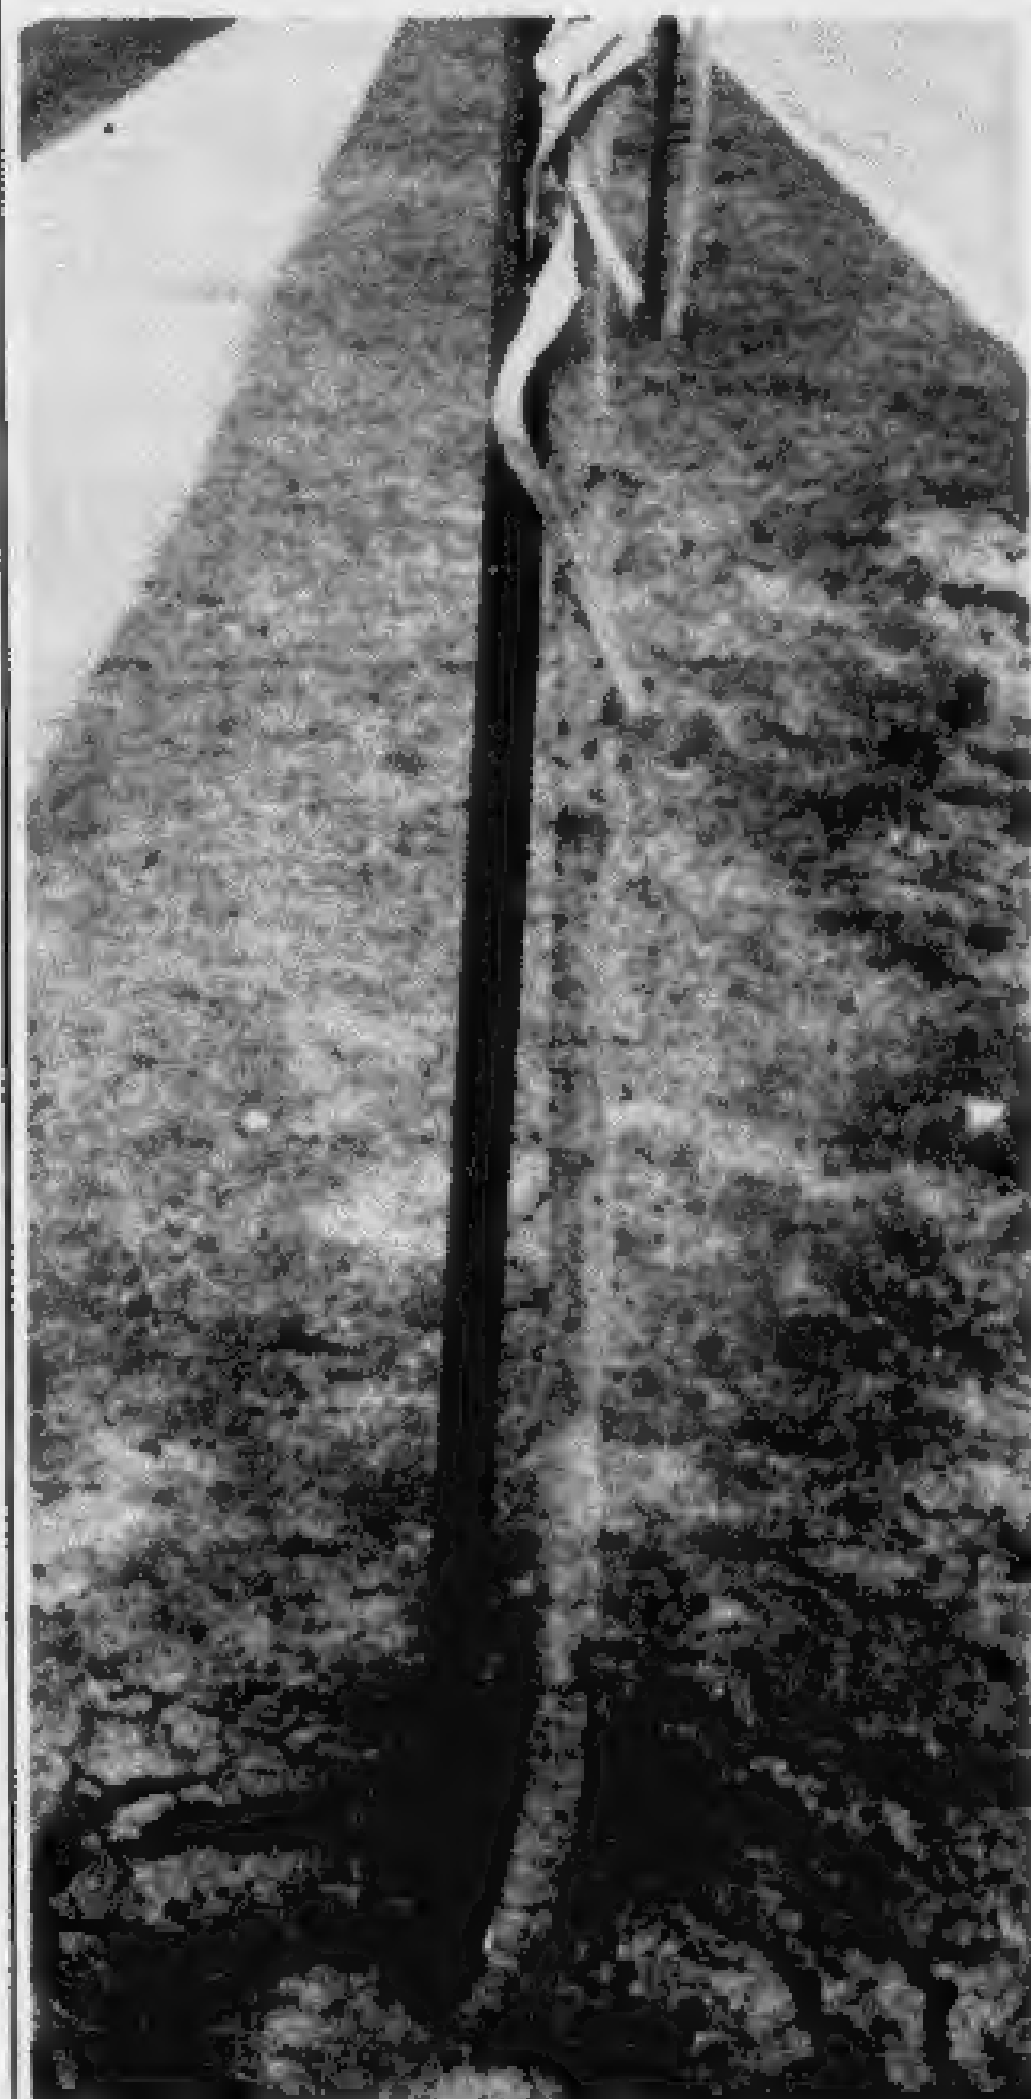

Roy Usher,

Chairman, Board of Trustees

St. Albert Protestant Sep-

arate S.D. No. 6
